YOUR BEST POSSIBLE DECISION

GAGGIA
MILANO

THE STORY OF ONE OF THE WORLD'S MOST ICONIC ITALIAN BRANDS BEGAN IN 1930's MILAN.

In 1938, barista Achille Gaggia filed the patent that signalled a revolution in the way aromas are extracted from coffee. Gaggia had created, for the very first time, the perfect Italian espresso - complete with its characteristic 'crema'.

Gaggia's mission today is the same as it's always been: to share authentic Italian espresso with the world. The company's intrinsic values of tradition and professionalism are self-evident throughout its product range, which has been designed to meet the requirements of coffee professionals by combining state-of-the-art technology with sophisticated design.

A **BARISTA-FRIENDLY** COFFEE MACHINE

Thanks to a sophisticated design and the consolidated technology of its components, La Decisa perfectly embodies the milestones that epitomise 'Made in Italy' and the values of Gaggia Milano: an intertwining of tradition and innovation.

Available in both 2 and 3-group versions, as well as in the Tall-Cup solution, La Decisa is the perfect response to **baristas' requirements of a medium-range coffee machine**: high performance, great ergonomics and practicality.

LIVE A UNIQUE
taste experience!

EFFICIENT AND EFFECTIVE

La Decisa has been designed to address a barista's every requirement. the backlit front keyboard, together with the led-illuminated working area, ensures La Decisa is an extremely practical and efficient coffee machine.

Moreover, simplified maintenance and other subtle details guarantee unrivaled ergonomics. Take for instance the angled filter holder handle as well as the three knobs for hot water and steam, which allow maximum delivery with a rotation of just 90°.
