

KALEA PLUS

Sleek design & high performance

Highlights

User-friendly

KALEA PLUS is easy to use, by staff and in self-service mode. Just a touch, and anybody can get a high quality drink.

High quality drinks

KALEA PLUS offers high-quality espresso based drinks combined with fresh milk, thanks to the proven Z4000 brewer and the option of the self setting grinders.

NB: Model shown includes optional Fridge and Cup Warmer

IoT Connectivity

KALEA PLUS has an embedded WiFi/Bluetooth module and is 3G compatible.

Barista feeling

KALEA PLUS can be fitted with a professional steam wand, which enables the barista to make perfect cappuccino foam.

Fast espresso deliveries

KALEA PLUS is fitted with a professional rotating pump, capable of satisfying even the busiest locations.

Contemporary And Sleek Design

- Kalea Plus is now available with a black fascia
- Sleek and elegant design
- Highly suited to professional locations, such as offices or board rooms
- Also hotels, bars, cafes and more

NB: Model shown includes optional Fridge and Cup Warmer

Customisable Drinks

- Create a coffee menu with your customers in mind
- Use the 7” touch screen to customise the drinks menu for your customer

Extend Your Drinks Offer

- Offer an extensive selection of drinks
- Create your own customised coffee menu
- You also have the option to deliver up to 16g espressos

Easy To Use

- The Kalea Plus is a user-friendly machine
- Drink selection through simple touch operation
- Outstanding throughput and speed will satisfy even the most demanding customers

Fantastic Taste Delivered At Speed!

- KALEA PLUS uses cutting edge technology combined with the heritage of an Italian espresso
- Create high-quality espresso based drinks with the benefit of fresh milk
