NB: Internal layout in picture is representative only. UK layout is different to model shown.

Dimensions

- Weight: 41kg
- Depth: 574mm
- Depth with door open: 855mm

Internal Layout

Designed throughput is 160 drinks before cleaning, emptying or reloading is required

Specifications

PRODUCT CODE	962916
Version	Espresso
User interface	Direct selections
Number selection	9 + 9
Number canisters	4
Coffee brewer	Espresso Z4000
Height	750mm (with bean hoppers)
Width	410mm
Depth	574mm
Depth open	855mm
Weight	41kg
Voltage	220/240 V
Frequency	50/60 Hz

Fresh milk	No
Display	Graphic display
Steam wand	No
Lateral hotwater	No
Automatic cappuccinatore	No
Beans capacity	1.2kg
Soluble canister	0.7kg milk + 1.5kg chocolate
Hourly output	Up to 90 espresso
Height delivery area	140mm
Absorbed power	1950 W

Accessories

Code	Description
962259	Black Cabinet (With Storage For Stirrers, Sugar, Waste & Cups Excl. 12oz)
962252	Black Cabinet (Equipped For Waste)
962993	Liquid Waste Outlet Kit
962990	Side Payment Coin Mech Module
A00022-1	Fitting Of Payment Module
962991	Side Payment Coin Validator Module
959385	G13 16 Way Coin Validator
A00022-2	Fitting Of Coin Validator
962723	DEX Kit EVA-DTS (Jack Connection For RS-232)
