LA DECISA: PERFECTLY PRACTICAL

- In the 1930s Achille Gaggia found a way to create the perfect Italian espresso
- Today, Gaggia Milano brings coffee professionals a range of machines that combine state of the art technology with sophisticated design

la Decisa

PRACTICAL AND BARISTA-FRIENDLY

- Designed to meet the needs of all markets
- La Decisa continues the success story of one of the world's most iconic brands
- It's an extremely practical and barista-friendly coffee machine

ELEGANT & CLEAN LINES

- Design by Bonetto

ELEGANT DESIGN

- Capacitive glass key pad:
 - Easy to clean
 - Easy to use
 - Tempered glass is tough and hard-wearing
- LED illuminated working area

ERGONOMIC AND EASY TO USE

- Ergonomic steam knob: only 45° turn with dual position:
 - Left knob remains open (for milk steaming)
 - Right knob closes (for purging residual condensation)
- Traditional thermosyphonic hydraulic circuit

RELIABLE AND EASY TO MAINTAIN

- Designed for easy maintenance:
 - Easy to remove side panels
 - Access to CPU on left side
- Electronic steam boiler control (NTC Probe):
 - More accurate and stable than standard pressure switch

STANDARD & TALL CUP

- Both versions keep the same design and ergonomics, for example:
 - Long steam wands suitable for milk jugs up to 2 litres
 - Wide working area
