La Nera

LA NERA: THE THRILL OF ESPRESSO

- In the 1930s Achille Gaggia found a way to create the perfect Italian espresso
- Today, Gaggia Milano brings coffee professionals a range of machines that combine state of the art technology with sophisticated design

STANDING OUT FROM THE CROWD

- La Nera guarantees professional performance
- Easy to use, with the reliability required to deliver consistently top quality espresso
- Available as either a 1 Group or a 2 Group Compact solution

La Nera

STANDING OUT FROM THE CROWD

- La Nera has a robust and practical design
- Built from an uncompromising choice of materials
- Equipped with the latest technology

La Nera

HIGHLIGHTS

- Copper boilers with independent heat exchanger for each group
- Traditional thermosyphonic hydraulic circuit
- Electronic control of the water level in the boiler
- High-performance infusion and extraction groups
- LED-illuminated working area

FEATURES

Rails for cup warming tray as an option on the 2GR COMPACT model

Stainless steel anti-corrosion panels and finishes

Backlit capacitive keypad for each group

5 backlit large pushbuttons for each group

Elegant pressure gauge with easy visibility

Ergonomic steam and water knobs with quarter-turn system

ACCESSORIES

- Possible to use capsules and/or ESE certified paper pods instead of ground coffee
 - NOTE: Requires the addition of a filter holder kit

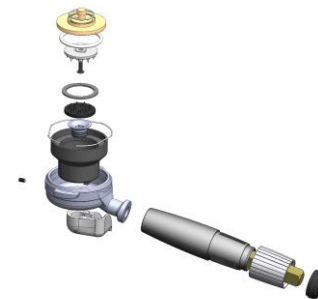

CAFFITALY®

ESPRESSO POINT®

NESPRESSO®

LAVAZZA BLUE®

- This opportunity is attractive:
 - No grinder cost
 - Lower maintenance
 - Less training required

Caffitaly®, Espresso Point®, Nespresso® and Lavazza Blue® trademarks are not owned by our company.
